

A MESSAGE FROM *Russ Tringali*

Russ Tringali

Director of Racquet Sports /
Assistant General Manager

I want to begin by thanking all of you for the support, friendship, and enthusiasm you bring to Village Glen every day. After so many years in the game of tennis, I'm excited and grateful to take on my new role as Director of Racquet Sports, while continuing as Assistant General Manager.

Racquet sports have been a part of my life for more than 45 years. From competing at the University at Buffalo and winning Western New York and NYS SUNY championships, to coaching juniors, teaching adults, directing tournaments, and helping grow our tennis and pickleball programs, I've been fortunate to spend my career doing something I truly enjoy.

What I value most, though, is the community we have here at Village Glen. Whether you're picking up a racquet for the first time, competing in a tournament, joining a league or clinic, or simply enjoying time on the court with friends, we want Village Glen to be a place where everyone feels welcome.

I'm looking forward to continuing to grow our tennis and pickleball programs, creating new opportunities for our members, and working with our great staff to make Village Glen the best racquet-sports experience it can be.

Thank you for being such an important part of the Village Glen family. I look forward to seeing you on the courts!

See you on the courts!
