WAYNE MARTIN

HEAD PROFESSIONAL

I would like to welcome you to South Towns Tennis Club.

A native of Connecticut, I started playing tennis when one day my dad asked me "Want to go play tennis?". Little did I know that it would eventually become my profession and my passion. I played collegiately at the University of Connecticut and Southern Connecticut State University and taught tennis to family, friends, and the occasional stranger. After a few years, I decided it was time to leave the comfort of my parent's Connecticut home and I moved to NYC.

After following some lifelong dreams, my family brought me to the Buffalo NY area in 2003. Coming here without any job I decided to step back into the tennis world and restarted my Tennis Teaching career. I am certified as an Elite Professional with the USPTA and PTR. I have certifications in 10U tennis as well as countless training hours of High Performance and Adaptive Tennis training. After a successful stint as a Tennis Pro and Competition Coordinator for another club in the area, I happily joined the South Towns Tennis staff in 2013.

Joining STTC has been a wonderful experience teaching players of all ages and levels, overseeing various events, and being the Tournament Director for our junior tournaments. During this time, I have also become a clinician for the United States Tennis Association

I want to make your experience here at the club not just the best in WNY but the best anywhere in the world. Feel free to reach out to me at any time if you have any questions or something you need help with or even just to say "HI". Tennis truly is YOUR GAME FOR LIFE!

MEMBERSHIP BENEFITS

TENNIS

JUNIOR PATHWAY

Academy Pathway

The Academy Pathway is a high-performance development program for students interested in taking their tennis to the next level. From our Green to Platinum levels, students will continue to explore the game through the refinement of skills to begin and continue the process of specializing in their craft. These new tools will prepare the students in our academy to perform at peak levels during tournaments, as well as to prepare them for college tennis at our highest levels of development. Each session addresses the individual's development in the following areas: Technical, Tactical, Mental, Social, and Athletic training. Director approval is required.

Tennis for Life Pathway

TFL pathway is a rally-based program that utilizes the concept of exploring the game through holistic means in order to successfully lay the proper foundation for a future of lifetime success. These new tools help to create the most appropriate learning environment and encourage children to progress in a way that is appropriate for their individual development. Each session addresses the individual's development in each of the following areas: Technical, Tactical, Mental, Social, and Athletic training. Through this process, we will emphasize on building fundamental athletic skills that can be applied to any sport.

Match Play

During Match Play, students will be set up with singles and doubles matches. This is the perfect opportunity to bring it all together and showcase students' newly learned skills while working on the strategy and tactics of the game.

Tournaments

Sanctioned/ non-sanctioned tournaments are held throughout the year.

ADULT PROGRAM

Rally Tennis

Our Adult Development Pathway is a rally-based program that explores the game through a progressive-based concept. This concept of learning the game helps to create the most appropriate learning environment and encourages players to progress in a way that maximizes their individual development. Each session addresses the individual's development in the following areas: Technical, Tactical, Mental, Strategic, and Athletic training. Programs are designed for complete newcomers to advanced players.

Drill Clinics

Drill clinics are designed around players' needs to help perfect skills including volleys, overheads, ground strokes, and shot selection.

Special Events

Enjoy the perfect combination of tennis, food, and friends. Ask at the front desk for upcoming dates for tennis socials and events.

Pickleball

We offer Open Play groups, clinics, and group classes. Ask at the front desk for details.
